1. Preface

1.1. The Spiritual Basis for WAGSA

The goal of WAGSA/Area 13, as part of the General Service Conference, is to enhance Twelfth Step work, acting through an informed group conscience. With this objective in mind, WAGSA strives to:

- Stimulate AA group involvement and participation in the Assembly.
- Allow for free, open and unrestricted dialogue among AA groups in Area 13.
- Guarantee that the voice of the AA groups is heard within the AA service structure.
- Protect against “railroading” and “log rolling” of one individual’s or group’s specific agenda or course of action.
- Ensure the right of the minority to be heard.
- Make sure that the Area Assembly does not act as a governing body over anyone.
- Protect the Twelve Traditions of AA.
- Be knowledgeable of service matters by studying the AA Service Manual, *AA Comes of Age* and the *Language of the Heart*.
- Foster awareness and understanding of the Twelve Concepts of World Service.

1.2. Organization of Handbook and intended purpose

This handbook is a basic outline of how our Area operates. The Washington Area General Service Assembly abides by the principles reflected in the 12 Steps, 12 Traditions, and 12 Concepts of Alcoholics Anonymous. We also follow the current AA Service Manual. However, over the course of our existence, we have developed practices and procedures unique to Area 13. This handbook, therefore, is an effort to describe those practices and procedures presently accepted in the working structure of the Area.

The Washington Area General Service Assembly formally endorsed the handbook in October 2003. The group conscience has been and continues to be the guiding force in AA decision-making, however, and no prior Committee or Assembly decision, including those that led to the development of this handbook, shall be binding on future Committees or Assemblies.

The handbook is meant to be used in conjunction with the AA Service Manual/Twelve Concepts for World Service and pamphlets describing various service units or activities such as

- *Circles of Love and Service*;
- *The 7th Tradition: Where Money and Spirituality Mix*;
- *The AA Group*;
- *The District Committee Member*;
- *The General Service Representative*;
- *The Twelve Concepts Illustrated*; and
- *The Twelve Traditions Illustrated*.

For information about the basic terminology used in the handbook (e.g., District, Area, Region, General Service Office), please consult Appendix A of this document.

2. Area 13 Structure

2.1. Districts and Groups

Our Area, known as Area 13 in the AA service structure, also is called the Washington Area General Service Assembly (WAGSA).

Area 13 is divided into 15 Districts: 12 English-language Districts and 3 Spanish-language Districts. In Area 13, a Group's meeting location determines the District. English-language Districts are organized by zip code. Spanish-language Districts follow the District of Columbia, Maryland and Virginia boundaries.

2.3. Redistricting

In the event the DCM of a District determines that a District is too large for the DCM to maintain close contact with all the groups in that district due to the geographical size of the district and/or the number of groups contained therein, the DCM may consider dividing a district into two separate districts. This redistricting may occur with substantial agreement by the groups in that district following this procedure:

- The DCM will convene a meeting by inviting representatives from all the groups in his/her district. Attendance by 2/3 of the GSR's or group representatives of active groups in that district is required as a quorum for any final decisions
- The DCM shall provide justification for the redistricting based on either the geographical size of the district or the number of active groups in the district compared to other districts in Area 13.
- If the groups of the district agree with the need for redistricting, a committee consisting of the DCM and representatives from the district's groups shall be formed to complete the following tasks;
 1. Determine the geographical area each new district will cover and document the rationale for the same, considering the number of groups contained in each district.
 2. Ensure that each group in the district is notified of the redistricting plan and document how each group in the area was notified of the need for redistricting for the Area Archives.
 3. Ensure that the new district holds a fair election of its DCM within a reasonable time after the redistricting plan is approved by the district.

Once these tasks are completed, a final meeting of a substantial number (at least 2/3) of the active groups in the original district will meet to approve the final plan. The plan must be approved by a substantial majority with each group having one vote per group

If approved, the DCMs will ensure that the Registrar receives the names and zip codes of the groups for the new district, the new DCM is registered, and the Area is notified of the redistricting as soon as possible, preferably at the next Area Committee meeting or Assembly. The DCMs shall also notify the Policy and Procedure Committee of the new districts for inclusion in the Handbook.

A copy of all records, minutes, and documents used to complete this process will be provided to the Archives Committee.

3. Elections

The Area elects a Delegate, whom we send to the General Service Conference. DCMs, GSRs, and Area committee members are invited to share their District and group consciences at committee meetings, Area Assemblies, and other Area activities. At Area events, the Delegate shares information about activities at GSO, A.A. World Services, Inc., AA Grapevine, Inc., and in other Areas.

3.1. The Third Legacy Election Procedure

- **What is an election?**

Every two years, on the even numbered years, Area 13 elects a panel of officers to serve the Area for two years. Each two-year period is called a panel, numbered from the first one in 1951. The positions up for election are: Delegate, Alternate Delegate, Area Chairperson, Treasurer, and Secretary. Ideally, candidates should be present to stand for elected office. However, in extreme emergency situations,

eligible candidates can stand for election in absentia but must contact the Area Chairperson, prior to the election to notify the Chair of their intention. The spirit of rotation is best. No Area 13 elected officer who has served a full term will be re-elected for a second consecutive term.

- **Election Committee**

At the discretion of the Area Chair, Area 13's Past Delegates may serve on the Election Committee, without a personal vote. From time to time, Past Delegates from neighboring Areas may be asked to assist in conducting the election. The Area Chairperson will appoint the Chair of the Election Committee. Traditionally the Chair of the Election Committee is chosen from the list of available Past Delegates from Area 13.

- **Registration** (*Note: Both registration and sign-in must be completed in order to cast a vote.*)

Registration Required to Vote in the Election Assembly – you must register to vote with the Registrar by the close of the October Area Committee Meeting to be eligible to vote in the Election Assembly. This includes all DCMs (or Alternate DCMs), GSRs (or Alternate GSRs) of all AA groups, Committee Chairs (both Standing and Ad Hoc Committees), and Officers in Area 13. Those registered prior to the October Area Committee Meeting need not re-register. If eligible voters prefer to register by mail, registration forms must be received and/or postmarked by the second Monday in October, which is the DEADLINE to register. These forms should be mailed to:

Washington Area General Service Assembly
P.O. Box 5673
Friendship Station
Washington, D.C. 20016

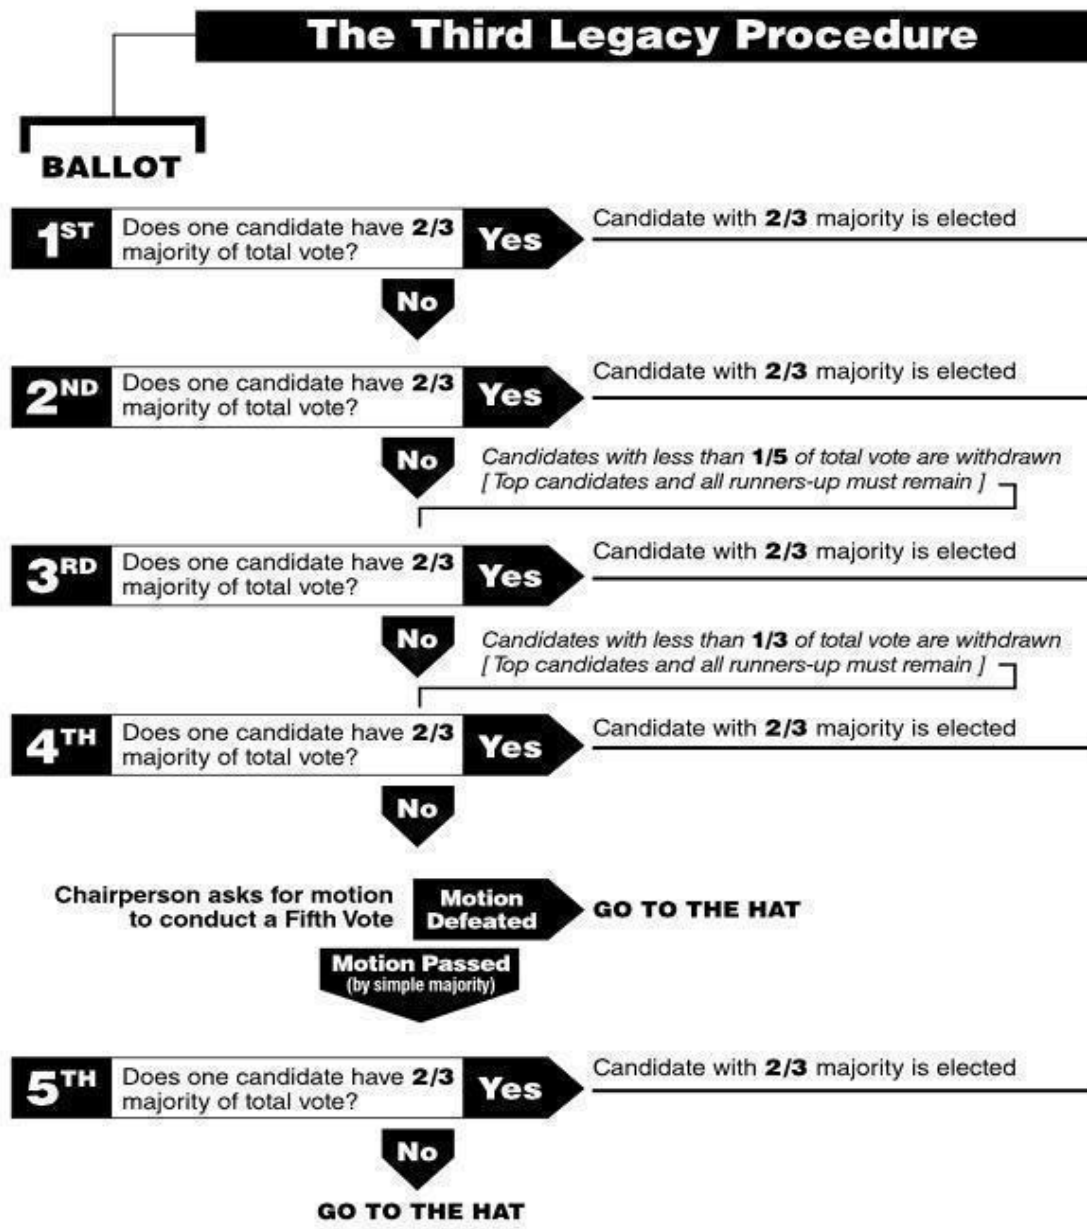

- **Sign-in** (*Note: Both registration and sign-in must be completed in order to cast a vote.*)

Election Assembly Sign-in Process: All eligible voters who have completed the above registration procedure **MUST** sign-in with the Registrar upon arrival at the Assembly. The Assembly sign-in will start **90 minutes before** the Assembly is scheduled to start. Registration will **close promptly at scheduled start of Assembly**. Late arrivals will NOT be able to sign-in for a ballot packet once the Assembly begins.

Note: Alternates will receive their ballot packets only after the person for whom they are the alternate has not signed-in and/or their absence is confirmed.

The Third Legacy Procedure

The AA Service Manual is our guidebook for these elections. It sets forth the procedure to be followed and is called “The Third Legacy Procedure.” A diagram of the procedure follows.

3.2. Elections

Starting with the position of Delegate, the election procedure is as follows:

- The Election Committee Chairperson reads from the AA Service Manual the qualifications for Delegate.
- The Election Chairperson asks for those that wish to serve to stand.
- The names of those standing are posted in a manner visible to all in the room.

- Each candidate for the position of Area Delegate is asked to speak for no longer than two (2) minutes on their qualifications for the position of Area Delegate. Candidates standing in absentia, as approved by the Area Chair, may have a statement of qualifications read by the Area Chair on their behalf.
- All eligible voters (those who have completed the dual registration outlined above) and any alternate GSRs or DCMs who become eligible because the regular GSR or DCM is not present, may proceed to cast a written ballot, one choice to a ballot.
- Ballots will be pre-printed with the officer position title and will be different colors for each ballot (e.g., blue for first ballot, green for second ballot).
- No member will have more than one vote. For example, if a member is a DCM or GSR, but is also a Committee Chair or Area Officer, they still cast only one ballot.
- The tally for each candidate is posted near the candidates' names.
- The first candidate to receive TWO-THIRDS of the total vote is elected.
- After the second ballot (assuming no candidate receives the necessary two-thirds on the first ballot), any candidate having less than one-fifth of the total vote will be withdrawn automatically, except that the TWO TOP CANDIDATES remain. If there are ties for second place, the TOP TWO CANDIDATES TIED FOR SECOND PLACE REMAIN.
- After the third ballot, candidates with less than one-third of the total vote will be withdrawn automatically, except that the TWO TOP CANDIDATES remain. In case there is a tie for second place, the TOP TWO CANDIDATES TIED FOR SECOND PLACE remain.
- A fourth ballot is conducted.
- After the fourth ballot, if no candidate has two-thirds of the total vote, the chairperson asks for a motion, a second, and a simple majority of hands for conducting a fifth and final ballot.
- If this motion is defeated, balloting is over, and we go to the "hat" immediately. In case there are ties for second place, the top candidate and the tied second place candidates remain. If the motion carries, a fifth and final ballot will be conducted.
- If no candidate has two-thirds of the total vote at the end of the fifth and final ballot, the election chairperson announces that the choice will be made by lot (from the "hat"). At this point, balloting usually involves only the top two or three candidates.
- The teller then draws lots, one lot per candidate, and the first one "out of the hat" becomes the Delegate.

This same procedure will be followed for each of the other positions up for election: Area Chairperson, Alternate Delegate, Treasurer, and Secretary.

- All Committee Chairs are encouraged to make sure that members of the Committee are broadly representative of the Areas' membership. Anyone who is considering chairing a committee should have a solid appreciation for and commitment to the 12 Steps, 12 Traditions, and 12 Concepts as well as experience serving at the group, District, or Area level.
- **All Standing Committee Chairs are voting members of the Area Committee and of the Area Assembly, regardless of any other Area or group service positions held. Separate from Area Standing Committees, the Area Chairperson may create an ad hoc committee to examine a specific issue or project that falls outside the scope of any of the standing committees. Ad hoc committees exist for only the period of time in which they are examining the issue or item for which they were created. Generally, an ad hoc committee is charged with carrying out a specific task or gathering information and presenting its findings to the Area.

The Area Chairperson appoints the chairperson of an Ad hoc committee, generally a member of the Area Committee or a GSR. Ad hoc committee chairpersons are voting members of the Assembly. Ad hoc committee membership and size are flexible to accommodate the scope of the issue or project. Anyone wanting to participate in an ad hoc committee should contact the ad hoc committee chair.

7. Washington Area Intergroup Association (WAIA) Liaison

A new WAIA Liaison may find the GSO's *AA Guidelines* on Central or Intergroup Offices to be a useful resource. The WAIA website is www.aa-dc.org. The WAIA liaison is not a voting member of the Area Committee or Assembly and serves as an independent communication link between WAIA and Area 13.

Responsibilities include:

- Attends WAIA monthly meetings, Area Assemblies, and Area Committee meetings.
- Informs WAGSA and WAIA of the other's activities and opportunities for cooperation.

8. District Committee Members (DCMs) (See Chapter 2 of the AA Service Manual)

The District Committee Member, or DCM, plays a vital role in general service. While the GSR is the voice of a *group*, the DCM is the voice of a *District*. A District needs a leader. The GSRs will look to the DCM for guidance on being GSRs and serving their groups. They will look to the DCM to lead on forming an agenda for District activities. They'll want to be inspired and encouraged, but not told what to do.

AA Service Manual 2021-2023, p 13

What District Committee Members do...

- Practice the 12 Steps, 12 Traditions, and 12 Concepts.
- Attend Area Committee meetings and Area Assemblies.
- Chair and conduct District meetings.
- Participate on Area Committees and encourage others in their District to do the same.
- Work closely with the Area Secretary to ensure that groups receive information from WAGSA and GSO.
- Encourage each group to have an active General Service Representative (GSR) and Alternate GSR.
- Bring to the Assembly those District problems, solutions, and activities that may help others.
- Are available to help with group inventories, settle Traditions questions, and discusses Tradition breaks.

Some District Committee Members communicate with their groups by ...

- Holding regular District Committee meetings
- Holding occasional service workshops (sometimes in cooperation with other Districts).
- Visiting all groups within their District
- Distributing monthly reports of Area activities to their District, as well as reporting District activities back to the Area.
- Producing newsletters.

9. General Service Representative (GSRs) (See Chapter 1 of the AA Service Manual)

The role of the General Service Representative, or GSR, is essential to the purpose to general service. Bill W. wrote in Concept I of *The Twelve Concepts for World Service*: “The AA Groups today hold ultimate responsibility and final authority for our world services. The role of the GSR is essential to ensuring that groups fulfill that responsibility. Only when a GSR keeps the group informed and communicates the group conscience can the Conference truly act for A.A. as a whole. This communication is a two way street, making the GSR responsible not only for bringing forward the group’s voice, but for taking back to the group Conference actions that affect the Fellowship’s unity, health and growth. (AA Service Manual 2021-2023, p 7)

What General Service Representatives do...

- Practice the 12 Steps, 12 Traditions and 12 Concepts.
- Regularly attend group meetings, especially business meetings.
- Work with group treasurer to ensure that AA is self-supporting through its own contributions, first at the group level, and, once the group conscience has determined that the group has a sufficient prudent reserve, by contributing to Intergroup,¹ WAGSA, GSO, and their District.
- Represent the group conscience at the Area Assemblies and District meetings.
- Attend Area Committee meetings as observers and Assemblies as voting members..
- Participate in standing committees as members.
- Inform group of District and Area activities (e.g., make a brief report during “half-time”, take copies of flyers and minutes back to the group, and communicate about relevant Conference agenda items).
- Encourage group members to participate in various service opportunities (e.g., signing up for a CPC Committee event, working with the Hospitals and Institutions Committee to sponsor a meeting or send Grapevine/La Viña subscriptions to institutions).
- Perform other duties, as determined by the group (e.g., working with the secretary to lead business meetings, maintaining an adequate supply of literature, preparing “welcome packets” for new members).
- Elect District Committee Members (DCMs), and participate in District activities.
- Vote at Assemblies on Area business and, in even years, to elect a new Area 13 Delegate and Area Officers.
- Consult with a service sponsor if your current sponsor is not experienced in General Service.

To better serve their groups, GSRs should become familiar with the AA Service Manual, the Twelve Concepts for World Service, and the pamphlets *The AA Group* and *The G.S.R.*

Remember, a good servant is not necessarily the one that takes more than one service position at a time but the one that does one service job and does it well.

Getting started as a new General Service Representative...

- If you are reading this booklet, you probably have already spoken with the WAGSA (Area 13) Registrar and received your new GSR welcome packet and a group information form. Please complete

¹ The Washington Area Intergroup Association (WAIA) serves all of the English-language groups. The Spanish-language groups in Maryland, the District of Columbia, and Virginia each have their own intergroup.

the form and return it to the Registrar, who will make sure that you are sent notices of Area Assemblies. Since attendance at Area Assemblies is one of the most important functions of a General Service Representative, this notice is fundamental to effective service. If you miss an Assembly, your group does not have a voice or know what happened at the Assembly.

- The Registrar also will forward the form to the GSO. GSO will provide additional service materials for your group.
- The registration form asks for your group service number. The Registrar can provide the group service numbers for existing groups. The service numbers of existing groups also may be found by consulting the Eastern U.S. AA Directory, or by asking the GSO. New groups will receive their service number directly from GSO after completing and returning a “new group form” available from the registrar.

Please note that *registration with your Intergroup, using the form they supply, does not register your group with Area 13 (WAGSA) or the GSO*. The records of WAGSA and the Intergroups are not interchangeable.

A new General Service Representative asks ...

What have I gotten myself into?

Probably nothing that you can't handle with help. Please keep reading and keep coming back. Ask your sponsor, your service sponsor, or the person sitting next to you what they do and how they do it.

What is a service sponsor?²

- A service sponsor is a person who takes on the role of guide to the person new to service, sharing experience, strength and hope in service. It is a long-term relationship, usually initiated at the request of the person to be sponsored. The relationship is can provide the experience of a shared journey in carrying the message to the still suffering alcoholic.
- At a workshop held at the 1991 General Service Conference, it was noted that although service sponsorship has *“been in existence a long time, ‘very little has been addressed to formalize the work of service sponsorship!’”*³
- In selecting a service sponsor the new General Service Representative should try to find someone whose service attitudes, experience and style s/he admires. It is always helpful to remember that we have three Legacies, and that Recovery through the 12 Steps and Unity through 12 Traditions are equal sides to the AA triangle. Service in conformity with the 12 Concepts should always be seen as closely related to recovery and unity. So, one question to ask in selecting a service sponsor is whether you admire the recovery and adherence to the Traditions shown by the prospective sponsor.
- The same attitudes necessary for a General Service Representative should be present in a prospective service sponsor: courage, thick skin, self-humor, and emotional maturity. A service sponsor should be as kind, non-judgmental, and willing to share as a recovery sponsor would be with a newcomer.

³ From, *Sponsorship-Gratitude in Action: The Forty- First Annual Meeting of the General Service Conference of Alcoholics Anonymous*, 1991, Final Report, p. 9.

What if my group isn't interested in Area news?⁴

- One common experience shared by new GSRs, particularly those from groups which have not had active GSRs in the past, is a lack of interest in general service. All too frequently, the inactive group has come to focus on personal recovery.
- Information can be conveyed in a number of ways. The GSR can request time for a report at the group's business meeting. Announcements of upcoming events, workshops, etc., can be made in conjunction with the secretary's break at meetings. The GSR can try to develop a report that is interesting, to the point and informative, rather than boring and repetitive. If necessary, the report can be a short-written summary, distributed at the group's regular meeting.
- The important thing is that an attempt be made. Simply by talking about service in our one-on-one conversations, we can stimulate interest and eventually succeed in bringing the group into the mainstream of AA. It may be a slow process; it may provide lessons in patience, tolerance and humility; but it does help us to practice these principles in all of our affairs. And, after all, our own continued sobriety is what service is all about.

How can my group make contributions to support AA service activities?⁵

- Many groups have asked about the handling of contributions. How much to contribute, when and to which level of service (Intergroup, District, GSO, WAGSA) is entirely a group decision. Some groups contribute monthly, others quarterly or annually and still others when they feel their prudent reserve has grown too large. In general, however, any amount given at any time is appreciated and helps carry the AA message.
- If your group wants its contribution to be distributed among the various AA service entities, the Treasurer must send separate contributions to each entity. Many groups in Districts that do not have annual budgets choose to send 60 percent of their excess funds to their Intergroup, 30 percent to GSO, and 10 percent to WAGSA. However, as with all issues, the individual group conscience needs to decide how to apportion their contributions. For example, some groups may decide to send some money to their Districts.

Additional information concerning finances in AA may be found in the following publications available through AAWS by phone or through its literature catalog, through your local intergroup, or from the WAGSA treasurer:

- *AA Service Manual/Twelve Concepts for World Service*;
- *Self-Support: Where Money and Spirituality Mix (an AAWS pamphlet)*;
- *GSO's AA Guidelines (i.e., the yellow sheet) on Finance*;
- *The AA Group Treasurer (an AAWS pamphlet)*.

After the group decides how to divide the money in its treasury over and above necessary current expenses and a prudent reserve, excess funds may be sent to:

⁶ All English-language groups are served by the WAIA.

Why do we need service entities other than the AA Group?

Other service entities are needed within the Fellowship to perform the services that the groups cannot perform for themselves (e.g., publishing and distributing literature, providing public information about AA, helping new groups get started, handling pleas for help, etc.).

How much organization should an AA Group have?

- Because Tradition Four states that each group is autonomous except in matters affecting other groups or AA as a whole, there needs to be a mechanism through which a channel of communication can be established with other groups and the AA service structure. Organization of this communication channel begins when group officers and committees are selected or elected within the structure of the group.
- These trusted servants, or “officers,” hold group service/business meetings. In some instances, the officers make up the group “steering committee” that conducts routine business of the group and reports its activities to the group. Other groups conduct their business with input from all members who are in attendance when an issue needs to be addressed.
- As described in the pamphlet *The AA Group*, some groups fill a comprehensive slate of service positions. At the opposite end of the spectrum, other groups select one person to make the coffee, another to get speakers or discussion leaders, a treasurer, a WAIA representative, and a General Service Representative. In brief, all are as organized as they need to be to make sure that “when anyone, anywhere, reaches out for help” the “hand of AA” is there.

10. Area 13 Committee Meetings

Area Committee meetings are held the second Monday of every month, with the exception of July and the months when the Area Assembly or the Mini-conference meets, at a posted predetermined location. Meetings begin at 7:00 p.m., although individual committees often meet earlier. All interested AA members are welcome. If Montgomery County schools are closed due to inclement weather, the meeting will not be held. At these meetings, DCMs or their alternates, Committee Chairs or their co-chairs, and Area Officers may vote.

11. Area 13 Assemblies

11.1. Winter Assembly (January)

Topics

Traditionally in January, the chair of the Budget and Finance Committee presents the Area budget for the upcoming year. Committees present their goals and objectives for the coming year, and other Area business is brought to the floor.

Participation

All AA members are welcome. However, only DCMs or their alternates, GSRs or their alternates, Committee Chairs (including ad hoc committees), and Area Officers may vote.

11.2. **Spring Assembly**

Topics

Traditionally 3-6 weeks after the General Service Conference, the Delegate gives a report back on the annual meeting of the General Service Conference. Other business may be brought to the floor for discussion and vote, time permitting.

Participation

All AA members are welcome. However, only DCMs or their alternates, GSRs or their alternates, Committee Chairs (including ad hoc committees), and Area Officers may vote.

11.3. **Fall Assembly (October), Area Elections (Even Years)**

Participation

In fall of even-numbered years, the DCMs, GSRs, Area Officers, and Committee Chairs gather to elect the next panel of trusted servants (*i.e.*, the Delegate, Alternate Delegate, Area Chairperson, Treasurer, and Secretary). The election process is described in detail under the Third Legacy Procedure.

Elected Positions

All members who are considering standing for an elected service position should have a solid appreciation for and commitment to the 12 Steps, 12 Traditions, and 12 Concepts. Suggested qualifications for each position are outlined in the AA Service Manual and in this handbook.

11.4. **Fall Assembly (October) (Odd Years)**

Historically the Fall Assembly in odd-numbered years has been reserved for approval of the Area Handbook and discussion of any Area business. In 2001, the Area held its first Area Inventory. Responses were not recorded verbatim, but the Secretary took copious notes that were given to the Chair. A bi-annual Area inventory was reintroduced in 2013. It was held again in 2015, 2017, and 2019. It is generally chaired by a Past Delegate or Trustee from another Area, selected and arranged for by the Area 13 Chair.

Participation

All AA members are welcome. However, only DCMs or their alternates, GSRs or their alternates, Committee Chairs (including ad hoc committees), and Area Officers may vote.

12. Area Activities

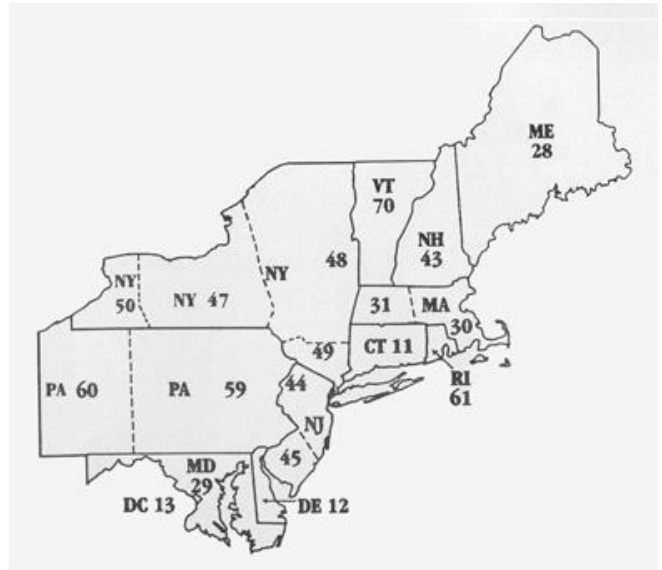

From time to time, the Area hosts workshops on various service topics (e.g., “the General Service Representative” or “the Group Treasurer”). Often, workshops are held immediately before Area Assemblies. The Area Chair leads the workshop or selects the leader. For example, the Area Chair and Past Delegates may facilitate “General Service Representative Workshops”. The Area Treasurer has led a workshop for group treasurers. Groups and Districts may also consider hosting workshops on various service topics.

13. Regional Activities

Area 13 is one of 18 Areas in the Northeast Region, consisting of Washington, D.C., Montgomery and Prince George's Counties in Maryland and the Hispanic groups in the District of Columbia, Maryland and Virginia.

The other Areas in the Northeast Region are:

- Area 11 (Connecticut)
- Area 12 (Delaware)
- Area 28 (Maine)
- Area 29 (Maryland, except Montgomery and Prince Georges Counties)
- Area 30 (Eastern Massachusetts)
- Area 31 (Western Massachusetts)
- Area 43 (New Hampshire)
- Area 44 (Northern New Jersey)
- Area 45 (Southern New Jersey)
- Area 47 (Central New York)
- Area 48 (Hudson, Mohawk, Berkshire New York, HMB)
- Area 49 (South Eastern New York, SENY)
- Area 50 (Western New York)
- Area 59 (Eastern Pennsylvania)
- Area 60 (Western Pennsylvania)
- Area 61 (Rhode Island)
- Area 70 (Vermont)

13.1. **Northeast Regional Alcoholics Anonymous Service Assembly (NERAASA)**

NERAASA is held every year is traditionally the last full weekend in February. At NERAASA, you will be able to interact with others who have your same service positions (e.g., GSRs, DCMs, Committee Chairs, Area Officers) through round-table discussions. It is a wonderful training opportunity.

13.2. **Northeast Regional Forum (NERF)**

NERF is sponsored by GSO, led by GSO staff members, and held every other summer in odd numbered years. At the Forum, interested AAs can meet GSO staff and Board of Trustees, learn about the AA service structure, and find out firsthand what activities are going on at the GSO and elsewhere in AA.

13.3. **Northeast Regional Delegates (NERD)**

The Northeast Regional Delegates weekend is generally held in March and rotates throughout the northeast region. All Delegates, their Alternates, and Past Delegates from their respective Areas usually attend.

14. Financial Matters and Policies

14.1. Considering Finances

Where our money comes from ...

- Our money comes from you, through the generous contributions of the groups you support. In accordance with the Seventh Tradition, AA accepts no outside contributions at any level.
- **The maximum annual contribution from an individual as set by the General Service Conference (\$5,000 in 2018).**

Where our money goes ...

In accordance with the Sixth Tradition, AA makes no monetary contributions to any outside organization or cause, no matter how worthy.

Supporting our delegate

Much of our income goes to support our Delegate. For example, we contribute money to GSO to defray the cost of the annual meeting of the General Service Conference; we reimburse our Delegate for expenses incurred at the Conference and other meetings (e.g., NERAASA, NERF, and NERD). The Area hosts the Mini-Conference and welcomes participation by all groups, regardless of their ability to contribute. We also support our Area Officers in attending regional events.

Carrying the message to the still suffering alcoholic

Your contributions also go to support the work of the Area's standing and ad hoc committees. Other line items in the Area budget include literature and service workshops. Money collected at the annual Gratitude Breakfast is contributed directly to the General Service Office in New York.

Operating expenses

Other items that are considered when creating the budget include the costs of holding 11 Area Committee meetings, 3 Assemblies, and the annual Mini-Conference (e.g., rent, refreshments, copying, and postage) as well as possible expenses associated with engaging legal and accounting services as required by law.

14.2. Money Management Policy

Operating Account Management:

The Area 13 Money Management policy was developed based on the collective experience of Area 13 Trusted Servants regarding the maximum amount of money the Area may need to operate. It should be noted that the Area has a regular cycle of income (contributions) and expenses which work towards creating a steady balance of funds. In the spirit of Concept Twelve, Area 13 will regularly assess that it has no more than 50% of its projected annual budget in the operating account. The exact dollar amount will be set upon the approval of the annual budget by the Area 13 Assembly. Line items for breakeven events or activities,⁷ including but not limited to the Gratitude Breakfast and Grapevine Committee, will not be included in the calculation of the operating maximum account balance.

⁷ Breakeven events and activities are defined as line items which have an annual net balance of zero; meaning the income generated equals the amount spent.

If the amount of money in the operating account exceeds the maximum set forth at the time of approval of the annual budget, the excess amount will be transferred to the Prudent Reserve account, unless the Prudent Reserve is at its pre-set maximum amount. If the operating account does not exceed the pre-set maximum, no money will be transferred to the Prudent Reserve (see below).

The operating account pre-set maximum takes into account the approved expenses necessary for Area 13 activities. Therefore, setting an account maximum does not prevent Area 13 activities and expenses, such as Committee activity, events, or purchases. It also does not change any of the budget line items approved by the Area Assembly.

The operating account balance will be reviewed by the Budget and Finance Committee during the mid-year review. At that time, the operating account balance may be modified. If the amount of money in the operating account exceeds the maximum set at the time of the mid-year review in June, the excess amount will be transferred to the Prudent Reserve account, unless the Prudent Reserve is at its pre-set maximum amount (see below).

If the amount of money in the Prudent Reserve account is already at the maximum set at the time of approval of the annual budget, the Budget and Finance Committee will report the amount of excess in the operating account to the Area and suggest options for using the funds. The ultimate decision for how to disperse the excess operating account funds lies with the Area Assembly.

The Area Assembly has the ultimate authority and approval in all instances to add funds from the Prudent Reserve to the operating account when the operating account balance is in jeopardy of carrying an insufficient balance to continue authorized Area 13 events or activities. A Special Assembly will be convened or during a regularly scheduled Assembly the matter of a prudent reserve transfer will be decided by the voting members of the Assembly.

Only in emergency situations where time does not permit convening an Assembly, the Treasurer will follow the below Prudent Reserve request/withdrawal process.

Prudent Reserve Management:

Every AA organization needs a prudent reserve to protect it from unforeseen expenses and give it the financial flexibility it needs to carry out its primary spiritual mission. While it may be unwise to permit the accumulation of more money than needed, it may similarly be unwise to permit our groups and services to financially struggle when doing so can be avoided.

Therefore, Area 13 will maintain a Prudent Reserve under the charge of the WAGSA Inc. Board of Directors. The composition and responsibilities of the Corporate Board of Directors are outlined in the WAGSA Inc. bylaws. To ensure ease of financial transfers, the Prudent Reserve will be a checking account.

Area 13 will keep no more than 50% of annual budgeted expenses in the Prudent Reserve account at all times. The exact dollar amount will be set upon the approval of the annual budget by the Area 13 Assembly. Line items for breakeven events or activities,⁸ including but not limited to the Gratitude

⁸ Breakeven events and activities are defined as line items which have an annual net balance of zero; meaning the income generated equals the amount spent.

Breakfast and Grapevine Committee, will not be included in the calculation of the Prudent Reserve maximum account balance.

If the amount of money in the Prudent Reserve account exceeds the maximum balance set at the time of approval of the annual budget, the Budget and Finance Committee will report the amount of excess to the Area. Similar to the above circumstances, the Budget and Finance Committee will suggest options for using the funds. The ultimate decision for how to disperse the excess Prudent Reserve funds lies with the Area Assembly.

In emergency situations—due to unforeseen circumstances—the operating account balance is in jeopardy of carrying an insufficient balance to continue authorized Area 13 events or activities, the Treasurer may send a request to the Area Chair for funds to be transferred from the Prudent Reserve to the operating account. Prudent Reserve fund transfers should not be requested to fulfill expenses not authorized by the Area Assembly.

The emergency Prudent Reserve request/withdrawal process is as follows:

1. The Treasurer sends a request to the Area Chair to authorize a transfer of Prudent Reserve funds to the operating account. The Treasurer shall include a justification for the transfer request outlining the expense authorized by the Area Assembly for which the funds are needed.
2. The Area Chair decides to fulfill, partially fulfill, or deny the request to transfer funds from the Prudent Reserve to the operating account. For transparency purposes, the Area Chair notifies the Budget and Finance Committee of the request and decision regarding the transfer of funds.
3. If the Area Chair agrees to the request – whether fully or partially - he/she will inform the Prudent Reserve account managers and request a transfer of funds from the Prudent Reserve to the operating account. The funds transfer should be made either electronically or via check. The Area Chair is responsible for alerting the Treasurer of the incoming funds.
4. If the fund transfer request is denied, the Area Chair will inform the Treasurer of the denial.
5. The Area Chair will report the Prudent Reserve withdrawal request and decision to the Area members present at the next Area Committee meeting or Area Assembly (whichever is first) and provide rationale for the decision.

This request process does not authorize the Area Chair to approve or spend any new expenses. It only allows for the Area Chair to approve a transfer of existing funds from the Prudent Reserve account to the operating account. The Area 13 Assembly is the ultimate authority for determining how Area funds are spent.

14.3. Reimbursement Policy and Expense Voucher

No money will be paid without proper documentation (copies of paid bills, canceled checks, receipts) attached to the WAGSA Expense Voucher, except:

Advances may be made upon receipt of an WAGSA Expense Voucher that reflects an estimate for budgeted items, with the understanding that an Area Committee Expense Voucher and receipts shall be submitted to the Treasurer within 60 days of the event for which the money was advanced, along with a check payable to WAGSA for the unused amount.

If the traveler does not have receipts for highway tolls, please provide documentation from the appropriate online toll calculator:

https://www.ezpassmd.com/en/info/toll_calculator.shtml

<http://www.deldot.gov/public.ejs?command=PublicTollRateCalc>

<http://www.paturnpike.com/toll/tollmileage.aspx>

Mileage should be documented using an online mapping service: <http://maps.google.com>.

14.4. **Authorized Expenses Associated with Travel**

Meals and incidental travel expenses will be reimbursed up to the amount specified by the United States General Services Administration for a particular location.⁹ Per the reimbursement policy above, receipts must be provided. Reimbursement requests that exceed the USGSA amount due to meals that are part of the event (e.g., a banquet) will be decided on a meeting-by-meeting basis by the current Area Chair in conjunction with the Budget and Finance Committee and the current Delegate.

Receipts must be provided when claiming reimbursement for transportation-associated expenses such as airfare, train tickets, and parking fees. When traveling to events in a personal vehicle instead of by plane or train (e.g., NERAASA, NERF, NERD) the Area will reimburse for mileage. Mileage will be reimbursed at the Internal Revenue Service's standard mileage rate for the use of a vehicle in the service of charitable organizations.¹⁰ As noted above, an online mapping site should be used to document the distance between the traveler's home and the event.

The Area will reimburse hotel costs not to exceed the rate that the event organizers negotiated with the hotel where the event is being held. Exceptions may be granted in extenuating circumstances. Exceptions will be decided on by the Area Chair in conjunction with the Budget and Finance Committee and the current Delegate.

⁹ In 2023, this amount ranges from \$59 to \$79 per day. (<http://www.gsa.gov/portal/category/104711>).

¹⁰ As of December 12023, this amount is 14 cents per mile (<https://www.irs.gov/tax-professionals/standard-mileage-rates>).

APPENDIX B. SUMMARY OF PARLIAMENTARY PROCEDURE

- The Area Assembly *generally* follows Robert's Rules of Order.
- Items of business to be voted on by the Area Assembly are brought to the floor in the form of a motion. The Chairperson will ask for a second to the motion. If a second to the motion is made, discussion will follow.
- No proxy voting shall be allowed. The vote for Officers of the Corporation shall be conducted by the Third Legacy Procedure as defined by in The A.A Service Manual by written ballot when possible. All Major Actions will require a two-thirds (2/3) affirmative vote; regular business requires a simple majority. (Corporate Bylaws 2.13)
- All GSRs (or their alternates), DCMs (or their alternates), Area officers, and Chairpersons of Area Committees are eligible to vote.

HOW THE CONFERENCE OPERATES (Attachment W. AA Service Manual)

Generally speaking, the General Service Conference follows Robert's Rules of Order, and proceeds on as informal a basis as possible consistent with the rights of all concerned. It is important to remember that the purpose of rules of order is to make it easier for the Conference to conduct its business; rules exist to allow the Conference to do what it needs to do to carry out the will of the Fellowship by reaching an informed group conscience. Over the years the Conference has adopted some exceptions to Robert's Rules, which help it to proceed more closely in accord with the spirit of A.A. Tradition.

Conference Quorum

A Conference quorum — two-thirds of all registered members — is required to conduct Conference business.

Committee System

To the extent possible, important matters to come before the Conference will be handled via the "Committee system." This assures that a large number of questions can be dealt with during Conference week. Members are encouraged to trust the process. Each committee has considered carefully the items before it and presents its recommendations to the Conference as a whole for acceptance or rejection. Recommendations of Conference committees are automatically motions that have been made and seconded. Members are asked to refrain from spontaneously amending the work of the committee; there are no "friendly" amendments under Robert's Rules.

Substantial Unanimity

All matters of policy (Conference Advisory Actions) require substantial unanimity, that is, a two-thirds majority. Any actions, including amendments, that affect an Advisory Action, or motions that might result in such an action, also require a two-thirds majority. Because the number of members present in the hall during the week of Conference varies from time to time, the phrase "two-thirds majority" is taken to mean two-thirds vote of the Conference members voting, as long as the total vote constitutes a Conference quorum.

Minority Opinion

After each vote on a matter of policy, the side that did not prevail will always be given an opportunity to speak to their position. If the motion passes with a two-thirds vote, the minority may speak. If the motion receives a majority vote but fails to pass for lack of a two-thirds vote, the majority may speak. Remember that saving minority opinions for after the vote, when there is no rebuttal, is a time-waster, for it can force the Conference body to reconsider a question that might well have been decided the first time around if it had been thoroughly examined from all sides.

General Rules of Debate and Voting

(Agreed to at the beginning of each Conference)

- People who wish to speak line up at the microphones and address their comments to the chair. Each person may speak for two (2) minutes.
- No one may speak for a second time on a topic until all who wish to have spoken for the first time.
- Full discussion of a recommendation should take place before each vote.
- Everyone is entitled to express his or her opinion. However, if your perspective has already been stated by someone else, it is not necessary to go to the microphone and say it again.
- Our experience is that premature actions such as amending motions early in the discussion or hastily calling the question can divert attention from the subject at hand, confusing and/or delaying Conference business.

Motions Made During Conference

When making a motion, come to the microphone and address the chair. There are various types of motions we use to help reach an informed group conscience. The specific rules governing each are on the next page.

Tabling a Motion

Tabling a motion postpones discussion to a later time during the same Conference.

Motion to Recommit

The motion to recommit returns a motion or proposal to the respective trustees' committee or appropriate corporate board for further consideration. A motion to recommit must be seconded, is debatable and can be amended.

Calling the Question

Calling the question brings debate to a halt while Conference members decide whether to proceed directly to a vote (the question) or go on with the debate.

Reconsideration

A motion to reconsider a vote may be made only by a member who voted with the prevailing side, but it can be seconded by anyone. If the majority votes to reconsider, full debate — pro and cons — is resumed.

Floor Actions

It is possible for a Conference action to come from the floor, but any matter that falls within the scope of a Conference committee ought first to go through that Conference committee, so that the topic may receive due consideration. Floor actions may be introduced at any time during the Conference except at the Sharing Sessions. Any floor action regarding a piece of committee business that has not yet been concluded will be considered out of order.

When a floor action is to be heard, its maker is given two (2) minutes to state the rationale behind the action, after which the chair shall ask if there is a motion that the Conference decline to consider the floor action.

Declining to Consider a Floor Action

A motion to decline to consider a floor action is made without comment.
